

Asian Pacific American Community Development Data Center (APACDDC) Price List

The APACDDC offers a variety of expertise from analyzing Asian and Native Hawaiian/Pacific Islander subpopulation group data, providing training and technical support, to providing specialized services. Requests prioritized to CAPACD members. To discuss a data request or arrange for a training please contact Melany dela Cruz at (310) 267-2474 or email apadatacenter@asec.ucla.edu.

Description of Services

- Specialized reports, needs assessments, data, or mapping services to meet specific organizational needs or goals.
- Periodic reports or fact sheets on racial/ethnic groups and community development trends and indicators at the neighborhood, city, state, and national level.
- Interactive and hands-on trainings on how to use and access Census 2000.
- Technical assistance with accessing data through the Census Bureau's website, other data sources, and data analysis.

CAPACD Member Organizations Free

Non-CAPACD Member/Community-based organization or Non-profit/Student*
(Sliding scale: \$35-\$55 per hour)

Government organizations/Private businesses or companies
(Sliding scale: \$85-\$100 per hour)

A fee for services will be determined by the mission statement, availability of resources, and capacity of the organization/individual requesting services.

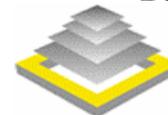

*Student fee requires that the student is working with a community-based organization. Data requests for a personal dissertation, paper, or report subject to governmental organization fee.
